HGV Class 2 Driver – Ardrossan – 40 Hours

Description

At Home Hardware Scotland, we pride ourselves on delivering excellent service to our stores and suppliers. As an HGV Class 2 Driver, you'll be a key part of our distribution team, ensuring deliveries are completed safely, efficiently, and professionally.

Responsibilities

Key Responsibilities

- Deliver goods from our warehouse to retail stores and collect returns where required
- Load and unload vehicles safely, using tail lifts and handling equipment where required
- Ensure the safety of goods, colleagues, and members of the public during deliveries and unloading
- Complete all delivery paperwork clearly and accurately
- Collect pallets, cages, and pre-sorted recyclable materials from stores
- Maintain a clean and organised vehicle and working area
- Follow all Health & Safety procedures and company guidelines
- Provide a friendly and professional service as a representative of the company
- Support the wider team with general duties when required
- Carry out any other tasks as required by the Management Team.

What we're looking for

- Valid HGV Class 2 licence
- Driver CPC qualification
- Digital tachograph card
- Licence to operate LPG or electric lifting equipment (where required)
- Good communication and customer service skills
- Reliable with strong timekeeping
- A flexible and team-focused approach
