## Warehouse Operative – Ardrossan – 40 Hours

### Description

At Home Hardware Scotland Ltd we pride ourselves in the outstanding level of customer service we provide to our customers and suppliers in a friendly and relaxed atmosphere. We're looking for a Warehouse Operative to join our busy warehouse team, helping to keep goods moving smoothly and safely from delivery to dispatch.

This is a hands-on role, ideal for someone who enjoys practical work, being part of a team, and keeping things organised.

### Responsibilities

#### Goods In & Stock Handling

- Receiving deliveries and checking goods against paperwork
- Putting stock away in the correct locations
- Keeping stock organised, labelled, rotated and stored safely
- Reporting any shortages or issues to your manager

#### Picking & Dispatch

- Picking, packing and preparing orders for delivery
- Ensuring goods are packed safely and clearly labelled
- Replenishing picking locations when needed

#### General Warehouse Duties

- Maintaining good housekeeping and a safe working environment
- Handling stock carefully and following Health & Safety procedures
- Completing basic paperwork accurately
- Supporting the wider warehouse team as required

#### What we're looking for

- Reliable with good timekeeping
- Good attention to detail
- Comfortable working as part of a team
- Able to follow processes and safety guidelines
- Flexible and willing to help where needed
- Forklift licence is an advantage, but training & certification can be provided
